**Patient Disclosure Form on Dr. Bray's Medical Ownership**

Dr. Bray is the owner of Home Care Plus, and Sleep Center of the Southwest. We also provide durable medical equipment and lab and x-ray services through this office. Please keep in mind that you always have the absolute right to use other providers of your choice. You can be assured that Dr. Bray or his staff will not treat you any differently if an alternative facility is used. If for any reason you do not find this to be the case, please let us know immediately. Dr. Bray does make part of his living from ownership of or investment in the above named facilities.

Federal Regulations for durable medical goods, and prescriptions drugs a physician is not to refer Medicare or Medicaid patients to facilities that he has an ownership or interest in. Thus, Medicare and Medicaid patients of Dr. Bray's are being informed that they are not to use Homecare Plus or the DME services provided in this office for their medical needs and are to use alternative facilities.

Possible Alternative facilities are:

- West Texas Pathology
- Medical Center Hospital Lab
- We Care Home Health Agencies
- Seelin Medical
- Bill Wood Pharmacy
- Service Drug of Midland
- Walgreens
- Alliance Medical
- Oxycare Plus

All of the above named business are listed in the local directory for your convenience.

This verifies that I have read and understood the above statement. If I have any questions, I know that I am to ask Dr. Bray or his staff.
